12

00:20:01,463 --> 00:20:03,545

We can discuss that, I said.

13

00:20:03,745 --> 00:20:04,646

No.

14

00:20:49,131 --> 00:20:50,834

This road reminds me...

15

00:20:51,035 --> 00:20:53,635

this road we're leaving...

16

00:20:56,898 --> 00:21:00,566

I must have been about six. I'm in a nuns' orphanage.

72

00:20:22,054 --> 00:20:23,112

No, start over.

73

00:20:24,122 --> 00:20:26,113

This is how to play jacks.

74

00:20:26,191 --> 00:20:28,386

It's the other one that counts.

Like this.

75

00:20:28,460 --> 00:20:30,951

Like that.

76

00:20:47,913 --> 00:20:49,403

It's nothing, don't worry.

77

00:20:49,481 --> 00:20:52,973

Leave it alone, it's nothing.

Stop it!

121
00:20:00,562 --> 00:20:01,563
No.

122
00:20:03,899 --> 00:20:07,836
Your comedy is pointless.
Enough, stop.

123
00:20:13,642 --> 00:20:19,648
Me too, I have learned to
collaborate with the French.

124
00:20:23,286 --> 00:20:28,792
See, I will teach you something.
It's Napoleon.

125
00:20:31,261 --> 00:20:33,864
During the Fire of Moscow,
he signed the decree

126
00:20:33,964 --> 00:20:36,633
for the creation of
the Comédie-Française.

127
00:20:37,334 --> 00:20:39,536
I do not understand.

128
00:20:42,406 --> 00:20:44,375
I do not understand.

129
00:20:45,209 --> 00:20:48,612
To understand, Mr. Goldberg,
that is difficult.

130
00:20:52,217 --> 00:20:55,186
I don't care about the Spanish gold
that you have made disappear.

131
00:20:56,554 --> 00:20:58,390
I only have to find the rest.
